## Phone List

Obin Hamrick has come up with a great idea: A member phone list! Imagine, being able to contact members if an item of interest is discovered or an event presents itself that we may be interested in.

Obin's idea is for members (who want to be contacted or notified) to provide their phone numbers (daytime/nighttime) so we can set up a calling list to notify members of events that may be too soon to make it into the Tablet/Web page.

If you would like to create such a phone list, please provide your phone numbers to any officer (or Obin) so we can develop a list and plan for initiating a phoning campaign (3-4 people take portions of the list, so no one person is 'stuck' with calling everyone.)

We can further discuss this at this month's meeting.
